

Crawford Orthodontics' Discount Policy

We love families! Dr. Crawford, Dr. Wright and staff appreciate your trust and loyalty to our practice and realize it's not easy financially to have multiple family members go through orthodontic treatment. To show our gratitude to you, we offer the following discounts:

Family Discount:

- After the first family member begins full treatment or a complex first phase, each additional immediate family member receives 10% off of limited or full treatment fees.
- After the third family member undergoes orthodontic treatment, each additional immediate family member will receive 15% off of full treatment fees.

'Paid in full' discount:

- If you pay the **total amount due by the patient** at the beginning of treatment, you will receive a:
 - 5% discount (if paying by credit card) or
 - 7% discount (if paying with cash or check)
- This can be added to another discount, such as the family or KCHC discount.

Thank you for your confidence in us!

-Dr. Crawford, Dr. Wright and team 😊
